

THE THOMAS B.

QUIGLEY SOCIETY

Dear Quigley Members,

I hope this finds everyone well.

I would first like to thank and congratulate last year's President Gary Ackerman, his wife Jessica, and daughters Leah and Sarah on another exceptional Quigley Society meeting. The weekend offered an unbelievable and picturesque venue at The Enchantment Resort in Sedona. A weekend filled with lifetime of memories! Thank you Gary and family!

Our success would not be possible without the support and dedication of Trevor MacDonald and the Harvard Varsity Club. Thanks Trevor for your commitment to the Quigley Society!

I am excited to be this year's Quigley Society President. My first order of business was securing the location for the 2020 Quigley Society Annual Meeting.....

SAVE THE DATE

2020 Quigley Society Meeting

Thursday - Sunday, April 16 - 19, 2020

Westin Kierland Resort and Spa, Phoenix/Scottsdale

The 2020 Quigley Society will be a family friendly, activity filled weekend to remember - so plan to bring your families and enjoy perfect, no humidity weather! For those of you who have not experienced Scottsdale and the Kierland Resort, April is the perfect time. I am excited to share our world ranked pools, golf, tennis, spas, and nearby hiking and shopping! There is something to do for everyone! Please save the dates (April 16-19, 2020), and will be back in touch in the next several months when we have confirmed logistics.

As president, I am excited to help our Society continue to flourish. Our executive board for 2020 is as follows:

President: Anikar Chhabra
Vice President / Academic Chair: Eric Chehab
Treasurer: Drew Engles
Secretary: Mark Drakos
At-Large: Lars Richardson & Dana Piasecki

Our board has identified several goals that we are working on:

- **Define the mission statement for the Quigley Society and Update the Bylaws**
- **Devise position medical statements for release on the Varsity Club Web Site**
- **Establish and solidify short and long term Sponsorships**
- **Facilitate a means for individual donations to the Quigley Society**

We hope these actions will increase membership and solidify our financial outlook. I look forward to seeing you and your families at the 2020 Quigley Society Annual Meeting. Our organization really values each and every member and if there is a reason that you have not been able to attend, feel free to contact me. If you have any questions please don't hesitate to reach out to myself or Trevor tmacdonald@fas.harvard.edu at the Varsity Club.

Sincerely,

Anikar Chhabra
President, Quigley Society
