

THE THOMAS B.
QUIGLEY SOCIETY

October 11, 2017

Dear Quigley Members,

I hope this finds everyone well.

I would first like to thank and congratulate last year's President Struan Coleman on a fantastic Quigley Society Meeting in Bermuda. The weekend offered a fantastic getaway with something to do for everyone. It was great to see so many members and families. Thank you Struan!

This year's Annual Meeting has been somewhat of a challenge to plan thus far. As many of you know, my first choice was Cuba. However after starting to plan the event we found that due to the distance and travel time, diplomatic relations and the financial constraints, the destination would not work. My second choice was Puerto Rico. We were in the planning stages when Hurricane Maria hit the island and as you all have heard the damage is immense and will take months if not years to clean up/rebuild. Our thoughts are with those that are in Puerto Rico.

As they say, third times a charm...therefore, the **2018 Quigley Society meeting will take place in Miami, Florida, April 19-22**. There is much to see and do in Miami like never before, I am excited about the possibilities. The final details are still being worked out, but I will be back in touch as soon as we have confirmed logistics.

I have enjoyed getting to know many of the great families of the Quigley Society and hope to see everyone in Miami in April. If you have any questions please don't hesitate to reach out to myself or Trevor tmacdonald@fas.harvard.edu at the Varsity Club.

Sincerely,

Peter Evans
President, Quigley Society
